

physical plant services; and the planning, design, replacement, and extension of various utility systems, subject to the requirement that Mount St. Mary's College provide up to a certain sum of a certain type of funds as a matching fund for the same purpose by a certain date; providing that no proceeds of the loan or any of the matching funds may be used for religious purposes; and providing generally for the issue and sale of bonds evidencing the loan.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That:

(1) The Board of Public Works may borrow money and incur indebtedness on behalf of the State of Maryland through a State loan to be known as the Mount St. Mary's College Loan of 1985 in the aggregate principal amount of \$1,150,000. This loan shall be evidenced by the issuance and sale of State general obligation bonds authorized by a resolution of the Board of Public Works and issued, sold and delivered in accordance with the provisions of §§ 19 to 23 of Article 31 of the Annotated Code of Maryland (1983 Replacement Volume and 1984 Supplement, as amended from time to time).

(2) The bonds issued to evidence this loan or installments thereof may be sold as a single issue, or may be consolidated and sold as part of a single issue of bonds under § 2B of Article 31 of the Code.

(3) The actual cash proceeds of the sale of the bonds shall be paid to the Treasurer and shall be first applied to the payment of the expenses of issuing and delivering the bonds unless funds for this purpose are otherwise provided and thereafter shall be credited on the books of the State Comptroller and expended, upon approval by the Board of Public Works, for the following public purposes, including any applicable architects' and engineers' fees: as a grant to Mount St. Mary's College to assist in the planning, design, renovation, alteration, and equipping of the library and of the communications center; the planning, design, construction, and equipping of a replacement facility for physical plant services; and the planning, design, replacement, and extension of various utility systems.

(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

(5) The payment of any funds under the provisions of this Act for the purposes set forth in Section 1(3) above, shall be contingent upon the provisions by Mount St. Mary's College of a sum up to \$1,150,000 as a matching fund for this project. No
